

Product change notification number: PCN_20220831_Alternative
Status LED Display 1001

Date: 31.08.2022

Title: Alternative Status LED Display 1001

Product identification: See appendix.

Reason for change: Design Logistics
 Manufacturing Location Quality/Reliability Material
 Expansion of product family Change of certification End of life

Change description:

Due to the discontinuation of LEDs used in the Display 1001 series, Proemion will implement alternative LEDs with changed series resistors and increased brightness.

Identification method to distinguish the change:

Revision change on Type Label to 3.0.1.

Samples: available will be available soon not applicable

Qualifiable impact on quality and reliability:

No change in form, fit and function.

Proposed first ship date*: 31.08.2022

* The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.

Last time order for devices: not applicable

Last time ship for devices: not applicable

End of Repair-Service for devices: not applicable

End of Support for devices: not applicable
