Change description:

Due to low demand and changes in certification the device will be generally discontinued.

As a replacement the Display 5001 (part number: 251 007 039) is recommended.

Identification method to distinguish the change:

Not applicable.

Samples: ☐ available ☐ will be available soon ☒ not applicable

Qualifiable impact on quality and reliability:

No applicable.

Proposed first ship date*: Not applicable.

* The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.
