

Product change notification number: PCN\_20210722\_Firmware  
Update CANlink mobile 3600 Series

Date: 22.07.2021

Title: New Firmware Revision for CANlink mobile 3600 Series to keep RED conformity

Product identification: See material number on type label.

Reason for change:  Design  Logistics  Firmware update  
 Manufacturing Location  Quality/Reliability  Material  
 Expansion of product family  Change of certification  End of life

Change description:

The CANlink mobile 3600 Series devices with WLAN/Bluetooth functionality which will be shipped after August 5, 2021 will be updated to firmware-revision 1.2.1 and a new WLAN/Bluetooth module firmware to keep regulatory conformity to the European Radio Equipment Directive for radio devices.

There is no change required for devices that are already deployed in the field.

See the FW Release notes for more details.

Identification method to distinguish the change:

All devices shipped from 06.08.2021 on with the first S/N mentioned in the following table. Firmware Revision could be read out electronically from each device.

Samples:  available  will be available soon  not applicable

Qualifiable impact on quality and reliability:

Updated CE Declaration of conformity on the Proemion Website.

Proposed first ship date\*: 06.08.2021

\* The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.

Last time order for devices: Not applicable.

Last time ship for devices: 05.08.2021

End of Repair-Service for devices: Not applicable.

End of Support for devices: Not applicable.
