wireless 3000 Series - Not Recommended for New Designs

Date: 21.07.2022

Title: CANlink wireless 3000 Series - Not Recommended for New Designs

Product identification: See material number on type label.

Reason for change: Design Logistics Recommendation
 Manufacturing Location Quality/Reliability Material
 Expansion of product family Change of certification End of life

Change description:

Due to the product launch of the successor CANlink wireless 4000 series the CANlink wireless 3000 series is no longer recommended for new designs. The CANlink wireless 4000 series replaces the CANlink wireless 3000 series in function.

Identification method to distinguish the change:

Not applicable.

Samples: available will be available soon not applicable

Qualifiable impact on quality and reliability:

Not applicable.

Proposed first ship date*: Not applicable.

* The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.

Last time order for devices: Not applicable.

Last time ship for devices: Not applicable.

End of Repair-Service for devices: Not applicable.

End of Support for devices: Not applicable.
