Qualifiable impact on quality and reliability:

Not applicable

Proposed first ship date*: Not applicable

* The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which inventory has been depleted. This may result in pre-changed products being shipped to the customer after this forecasted date.

Last time order for old devices: 31.12.2017
