Firmware Revision could be read out electronically from each device. Qualifiable impact on quality and reliability:						
-						
Samples:	\square available	⊠ will be availab	ole soon	☐ not applicab	ole	
Proposed first ship date	1: 06.06.2023					
Last time order for device Last time ship for device End of Repair-Service for End of Support for device	es: Not applicable. or devices: Not applica	able.				

¹ The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.
